MUD, SWEAT & BEERS!

Thousands of Aussies dive into Deni

NEITHER rain nor sleet nor being bogged to the back axle in brown mud like a DINOSAUR'S DIARRHEA could stop the 2016 Deni Ute Muster from kicking arse.

The annual knees-up is the biggest gathering of utes since ancient Roman times, when they were called chariots and horsepower was limited to ACTUAL HORSES.

About 12,000 people and 3500 utes battled the CRAPULOUS weather to slither into the site at Deniliquin, NSW, and party like WALLOWING WARTHOGS to the music of Keith Urban and Troy Cassar-Daley.

The wise ones, instead of fighting the conditions, become one with the mud, CREATURES OF THE SWAMP you might say.

This champ took the opportunity to train for the next Olympics with a few laps of the car park.

He'll DEFINITELY be needing some new jocks this Christmas. ■ Picture

A SAINT
she aint!

Samantha Saint definitely doesn't live up to her name

WE THOUGHT saints were the holiest of the holy, the cream of the Christian crop, the beautest of the BIBLE-BASHERS, those people who wouldn't sin even if their life depended on it.

Well, the lovely Samantha Saint has proved us wrong. VERY wrong.

Hailing from Memphis, Tennessee, the 29-year-old STUNNA only got into the wild world of professional rooting 'cos she got bored one day and wondered what it would be like to get BONED on camera.

"I would say curiosity got me into porn," PONDERED the chesty champion. "I always loved modelling, being in front of the camera and the glamour of it all. But little did I know it's a lot more fun when you add nudity and sex into the mix!"

A lot more fun for us, too, we must say. Had any weird experiences in the JIZZ BIZ so far?

"I did a scene that required me to take massive loads of fake cum all over me. The concoction was water

and flour mixed in a consistency to resemble cum. I was covered all over – eyes, ears, mouth, hair, everywhere!"

Right. Sounds, um, delicious. How about the SEXIEST thing you've done?

"One that comes to mind is the gloryhole-blowbang scene I did in *Samantha Saint is Completely Wicked*. I love sucking cock. It really turns me on challenging myself to take as much of it as I can down my throat. And not being able to tell who was on the side of the wall other than by guessing the dick was an incredible experience."

We bet it wasn't too shabby for the blokes on the other side either. How do you pass the time when you're not slurping mystery man-meat through holes in walls?

"When I'm not working and am at home with free time on my hands you can find me in the kitchen. It's my sanctuary. I love cooking, hosting and entertaining for my friends."

Atta girl. Give us a date and we'll be there. We'll bring a bottle of wine. OK, a goonbag.

"I love sucking cock"

News Flash

Believe it or not, this shit happened!

MARRY ME!

AT THE age of 92, the most married bloke in Nigeria reckons he's game to GO AGAIN. Mohammed Bello Abubakar, from the town of Bida, has married 107 women, divorced 10 of 'em, and all up fathered 185 rugrats. Dunno if he's got a SHED, but you'd reckon he'd fucken need one. "What I am doing is divine. It is an assignment and I will keep doing it until the end," Mohammed reckons. "God has asked me to do it". We thought we'd better check on that, but the Big Fella wasn't available for comment when we called.

SKULL-FUCK

CARLOS Rodriguez has one of the most recognisable mug shots in history. It went viral when he was arrested in 2010, and he's just been busted again for arson and attempted murder after setting fire to a mattress in an apartment building in Miami. The cops had no trouble picking him up as he's only got half a skull after losing a chunk of his noggin in a car accident. Mate – try wearing a hat!

#280 WE DREW A COCK ON IT

WANK PATROL

SEPPO cop Glenn Woolard could find himself chucked off the force for the crime of DRIVING while WANKING. Heading home after his night shift in Bethlehem, Pennsylvania, Glenn was spotted "waving it around" by a woman in a truck next to him. She reported it, and when cops fronted up to Glenn's joint he first denied it, then owned up, claiming it wasn't for SEXY FUN, but just to keep himself awake on the drive home after a long night. And so was the time he did it it in a supermarket carpark two weeks earlier... He's been charged with two counts of indecent exposure.

SHARKY HUGS!

YOU know how great whites cruise the ocean alone and never have any real mates? Well, this big noah off the coast of Mexico decided enough was enough and shoved its way into a shark diving cage for a CUDDLE with the bloke inside. It thrashed around a bit, and when it didn't get the deep emotional connection it was looking for, jumped out and FUCKED OFF.

AMATEUR SANTA

THIS bloke in Tucson, Arizona, must've been practising for Chrissy when he got stuck in his own chimney the other day. A neighbour heard weird noises seemingly coming from the chimney, and – noting that it was a bit early for the big bloke in red – called the cops. They found the 26-year-old man stuck with his feet dangling into the fireplace, where he'd been stuck for FOUR FUCKEN HOURS! After firies had hauled him out with a rope, he told them he'd locked himself out and thought – pretty stupidly, really – he'd go in via the SOOTY WAY.

ILLUSTRATED PUP

A BRAZILIAN tattooist is in trouble for tatting his dog's FACE. When Emerson Damasceno posted pics online the DOG SHIT really hit the fan. Animal cruelty folks got on his case so hard he changed his name and deleted his Facebook account. But before he did he said he'd tatted the pink bits on the mutt's ears and nose and around its eyes, not to make it look tough – as if bull-terriers need THAT – but as a way of stopping it getting skin cancer.

GOOD charlotte

She rocks our world – and yours too, apparently

YOU ASKED FOR HER!

$400 HOMIE OF THE WEEK

CHARLOTTE
BURLEIGH HEADS, QLD

"I love checking out all the hot people when I'm at the gym," confesses 22-year-old hottie, Charlotte, who no doubt has her share of admirers when she's working out. ***Have you ever picked up anyone from the gym?*** "No, I just like to watch. Most people have their headphones in and like to be left alone." ***We're sure if you walked up to a bloke they'd be more than happy to have a chat.*** try a little harder to look sexy. Not that you have to, but they just do. Although I do love watching a muscly guy lift weights." ***Do you go for the big JUICED UP looking blokes?*** "I definitely like a guy who works out and is in good shape. I don't need huge muscles but a nice toned body is super-hot."

HAVE YOU EVER BEEN BUSTED MID-ROOT BY A FLATMATE?

"I got caught [illegible]

YOU asked for her – you've got her! Ever since über-spunk Charlotte appeared as Homie of the Week in #1415, we've been inundated with requests to bring her back.

Reader Peter Hardy was BEGGING on Facebook: "Please please PLEASE you need to do another photo-shoot of Charlotte from Burleigh Heads (Homie of the Week #1415). She is simply the closest woman in your great mag I've seen to perfection!!"

While Herbie from Collaroy in NSW wrote to Mungo: "I just wanna nominate Charlotte as hottest ever

"I LOVED THE EXPERIENCE!"

Aussie Home Girl... She's a doll! I can't stop thinking about her!"

Even Mungo, the seen-it-all, man-of the-world that he is, LOST HIS SHIT over the 22-year-old blonde, replying "I'm kinda blown away by her myself."

It's unanimous, then – Charlotte's a mega-hottie, and needs to be EXPOSED to the world.

The good news is, we've got a shitload more pics of her, and here they bloody well are!

The BAD news (there's always fucken bad news, eh) is, we dunno how many more times she'll be in the mag.

We got hold of her just before she buggered off overseas for a bit of backpackerry fun, and here's what she had to say:

"I'm really flattered by all the compliments! I didn't set out to be a model, I just did the photos as a sort of bucket-list thing, and for a bit of extra cash while I'm studying.

"Although I enjoyed it, I wasn't anticipating doing any more, but after all this attention I'm not so sure. I loved the experience, so you'll probably be hearing from me when I get back from my trip."

Garn – PROMISE!

"It's a definite maybe. That's all I can say."

Sounds like a goer to us. Watch this space, readers! Picture

"I need my vibrator to get me off. I could use my hand, but after having a serious vibrator for years it's kind of hard to go back."

REMY LACROIX

Girls WANK

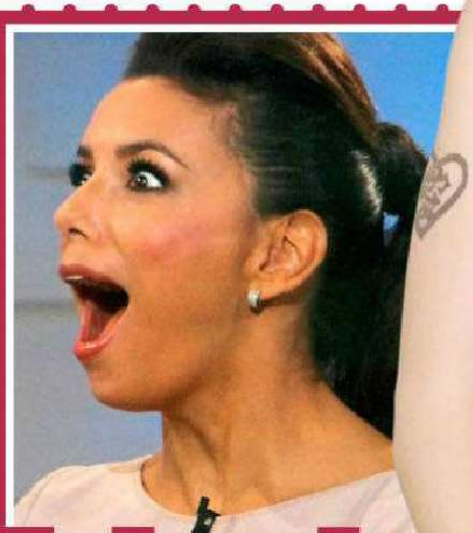
They really do – and we approve!

JESSE Jane does it every day. Miley Cyrus does it during interviews and Gwyneth Paltrow likes to do it with a 24 karat gold dildo and organic lube.

Whether they call it flicking the bean, smacking the pony, looking for squirrels, diddling Miss Daisy or dialling '0' on the little pink telephone, these days wanking is just as popular for CHICKS as it's always been for BLOKES.

Yep, these are CRAZY TIMES, readers!

Here are a few famous DAMES WHO DIDDLE: Picture



Eva Longoria

Eva Longoria is such a fan of JILLING OFF, she even gets her mates involved.

"I didn't begin enjoying sex until I started masturbating," she says. "It's a shame I didn't discover it sooner.

"I bought my first vibrator three years ago. Now I give vibrators to all my girlfriends. The best gift I can give them is an orgasm."

Is IK!

Gwyneth Paltrow

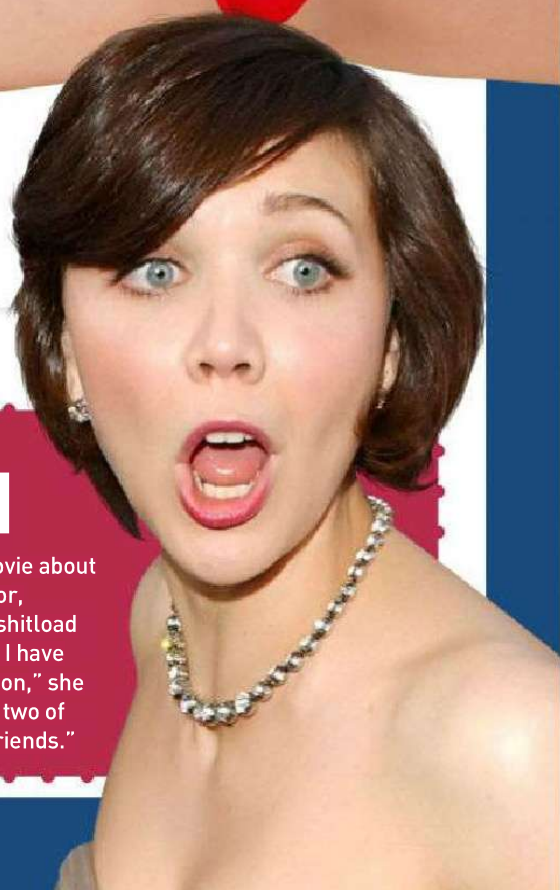
When wacky Gwyneth Paltrow gets down to BUTTERING HER MOVIE-STAR MUFFIN she does it in style with a $15,000, 24-karat gold-plated dildo called the Lilo Inez. All greased up, as you'd expect, with HOME-MADE ORGANIC LUBE.

"I masturbate to amateur porn. I guess 'cos I do porn I don't like to watch people I know having sex."

VIOLET MONROE

"Meditate, medicate, masturbate is kind of my thing."

JADE NILE



Maggie Gyllenhaal

After starring in *Hysteria*, a movie about the invention of the first vibrator, Maggie Gyllenhaal was sent a shitload of free buzzy buddies. "So now I have this incredible vibrator collection," she reckons. "I actually use one or two of them. I lend the others to my friends."

Miley Cyrus

Miley Cyrus stripped off and TICKLED THE TACO for a reporter from Interview magazine on FaceTime in 2015. Noice! But it shouldn't have come as a shock from the babe who once posted a picture of herself with her hand down her pants and the caption: "A masturbate a day keeps the haters away."

"I like masturbating to girls. Also Hentai, the Japanese cartoons. I think that stuff's really hot."

Their spirits walk in eternity. Never to grow old. Never to be diminished by the passage of time. These are lives not wasted, but forever illuminated by our nation's gratitude. Now they shine ever brighter in the glow of the "Lest We Forget Chronograph Watch," a fine gentleman's timepiece, available only from The Bradford Exchange and endorsed by the Defence Force Welfare Association of Australia.

A Magnificent Achievement in Men's Accessories

Contemporary style and traditional craftsmanship unite to create the ultimate tribute to our courageous diggers. Cast in stainless steel, the watch case is plated in state-of-the-art titanium nitride, a compound preferred in watch making for its durability and strength. Its copper-gold tone reflects the light and draws the eye to the shimmering face, which reveals a digger playing The Last Post in a dramatic silhouette. Fine striations around the face bring the rays of the Rising Sun into an elegant 21st century design. Three chronographic sub dials offer accurate time keeping and a stopwatch function, while the words "Lest We Forget" remind you of lives and sacrifices that will never be forgotten. Words from the Ode are finely engraved on the watch case and a genuine leather band completes the watch with elegant style.

GOING FULL GORE

These blokes are bloody champions!

Chris Thorogood

HERE'S a question – what's more fun than hangin' out in a paddock for the weekend with all ya mates and some great old hotrods and bikes?

And the answer is – as it so often is in this life – DOIN' IT IN THE MUD!

The rain that dropped on the seventh Chopped Rod and Custom show in Newstead, Victoria, may have slowed down times on the 80 metre drag track, but that only made it EASIER to eyeball all the great pre-1965 hotrods and bikes blatting their way past.

With seppo legends The Reverand Horton Heat at the top of the music bill, the show-and-shine and the bars, it was a party and a half.

If ya missed it, tough titties, but here's what the beaut day looked like. Picture

UDDY HELL!

You're Joking

ON HEARING her grandfather had died, Kate went to her grandparent's house to comfort her 95-year-old grandmother. When she asked how her grandpa had died, her nana told her, "He had a heart attack while we were making love on Sunday morning."

Horrified, Katie told her nana that two people both nearly 100 years old having sex would surely be asking for trouble

"Oh no, dear," replied the old woman. "Years ago, we figured out the best time to do it was when the church bells were ringing. It was just the right rhythm, nice and slow. Just in on the 'ding' and out on the 'dong'."

She paused to wipe away a tear.

"He'd still be alive today if Mr. Whippy hadn't come along."

RAT, GEEBUNG, QLD

Q. WHAT DO YOU CALL A NUN ON A BIKE?
A. VIRGIN MOBILE.

I.V., NINGALOO, WA

A CRIMINAL escapes from prison after 15 years. Breaking into a house, he finds a young couple in bed. He orders the man out of bed and ties him to a chair.

While tying the wife to the bed, the crim gets on top of her, kisses her neck, then gets up and goes into the bathroom. While he's in there the husband whispers to his wife: "Listen, this guy is an escaped convict. He's probably spent a lot of time in jail and hasn't seen a woman in years. I saw how he kissed your neck. If he wants sex, don't resist, just do whatever he tells you. Satisfy him no matter how much he nauseates you. This guy is obviously very dangerous and if he gets angry, he'll kill us both. Be strong, honey. I love you!"

His wife responds: "He wasn't kissing my neck. He was whispering in my ear. He said he's gay, he thinks you're cute, and asked if we had any Vaseline. I told him it was in the bathroom. I love you too, babe."

OUCH, VIA EMAIL

A HUSBAND and wife were watching a TV program about psychology and the phenomenon of mixed emotions. The husband turned to his wife and said, "Darling, that's a complete load of crap. I bet you can't tell me anything that will make me happy and sad at the same time."

She replied, "OK, how about this – out of all your friends, you have the biggest cock."

MIRANDA, CROYDON, SA

Q. WHY DO FRENCH TANKS HAVE REAR VIEW MIRRORS?
A. TO SEE THE BATTLE.

S.P., MOUNT WYATT, QLD

JOKE OF THE WEEK WINS $100

MALCOLM Turnbull and Bill Shorten are sitting in a pub with a dog. Suddenly a bloke races in off the street, lifts up the dog's tail and looks up its arse.

"Excuse me," says Turnbull. "What do you think you're doing?"

The bloke looks up and replies, "Well, I couldn't believe it. Someone just told me there was a dog in here with two arseholes!"

T.L., EAST ST KILDA, NSW

A MAN was seated on an airplane next to a stunning blonde. He looked over and saw she was reading a book entitled *101 Things You Didn't Know About Sex*.

"Interesting book?" asked the man.

"Absolutely," replied the woman. "For instance, did you know that the Native Americans have the longest penises and that the Irish have the thickest?"

"No, I didn't know that," said the man. "Say, do you mind if I ask your name?"

"Sure," said the woman. "I'm Helen. What's yours?"

"Geronimo O'Toole. How do you do?"

KELLY, BORONIA, VIC

Q. WHY DOES A PROSSIE FIND IT HARD TO PISS IN THE MORNING?
A. HAVE YOU EVER TRIED OPENING A COLD TOASTED CHEESE SANDWICH?

V.I., PEMULWUY, NSW

A BOY and a girl started school together and became best friends. Every day they ate their lunch together, always chicken sandwiches. This went on for years, until one day the boy noticed that the girl was eating a ham sandwich.

"Why aren't you eating chicken?" he asked.

"I love it, but I have to stop," she said.

"Why?" asked the boy.

She pointed to her lap and said, "Because I'm starting to grow little feathers down there!"

"No way! Let me see," he said.

"Okay," she replied, and pulled up her skirt.

He looked and said, "Crikey, you really are! You'd better not eat any more chicken then."

The boy continued eating his chicken sandwiches until one day he showed his lunctime sandwich to the girl and it was peanut butter.

He told her, "Looks like I have to stop eating chicken sandwiches now, cos I'm starting to grow feathers down there too!"

She asked if she could look, so he pulled down his pants for her.

"Oh, no!" she exclaimed. "It's too late! You've already got a neck and a bag of giblets!"

THE PROFESSIONAL.

HE LOVES A GOOD ROAST: ANTHONY JESELNIK

"MY GIRLFRIEND MAKES ME WANT TO BE A BETTER PERSON — SO I CAN GET A BETTER GIRLFRIEND."

"Whenever I meet a pretty girl, the first thing I look for is intelligence; because if she doesn't have that, then she's mine."

"YESTERDAY I ACCIDENTALLY HIT A LITTLE KID WITH MY CAR. IT WASN'T SERIOUS – NOBODY SAW ME."

"I got an email from my ex, telling me that she has AIDS. I didn't know how to comfort her, so I just wrote back, 'I know.'"

"MY DAD WAS AMAZING. HE RAISED FIVE BOYS. ALL BY HIMSELF. WITHOUT THE REST OF US KNOWING."

"My girlfriend is upset about her new haircut. I don't understand why she's crying. I'm the one who has to get a new girlfriend."

THE JOKE'S ON YOU

THIS WEEK: DICKS

Q. WHY DO MEN HAVE HOLES IN THEIR DICKS?
A. SO THEIR BRAINS CAN GET SOME OXYGEN.

A bloke walks into a shop, goes up to the counter, unzips his pants and casually flops out his dick.

The woman behind the counter screams: "Sir, put that away! This is a respectable shop! We sell clocks!"

"Yeah, I know," says the bloke. "I want you to put two hands and a face on that."

Q. WHAT'S THE DIFFERENCE BETWEEN A DICK AND A BONUS?
A. YOUR WIFE WILL ALWAYS BLOW YOUR BONUS.

The life of a dick is sad. Its family is nuts, its neighbour is an arsehole, its best friend is a pussy, and when it gets excited, it throws up.

Q. WHAT DO YOU CALL THE USELESS BIT OF SKIN AT THE END OF A DICK?
A. THE MAN.

A man goes to his doctor to have some odd growths on his dick checked out. The doc examines him and says, "I've got news for you. Turns out you have five cocks. How do your pants fit?"

"Like a glove," says the man.

Q. WHAT DO YOU CALL A WOMAN WHO LOVES SMALL DICKS?
A. YOUR GIRLFRIEND.

MUNGO'S ON TWITTER

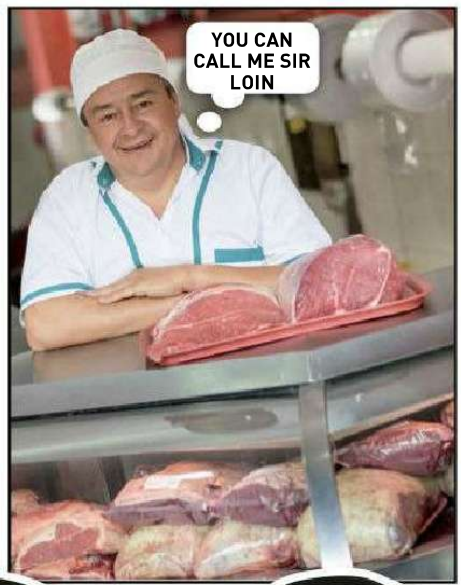
That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:
https://twitter.com/ThePictureMungo

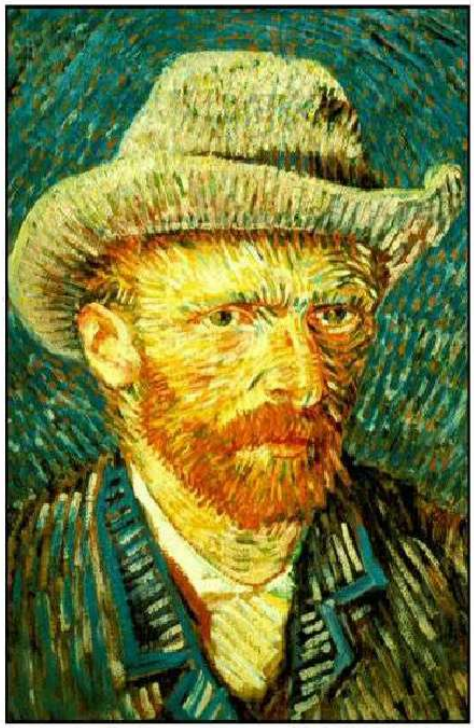
SAUSAGE, ANYONE?

AY MUNGO, what do ya reckon about sheila's that have half their guts hanging outta their tunnel? S'pose it's not their guts, but flaps and clit as big as a blue groper's mouth. Would be hard to hide in a bikini. Cheers mate.

GUTSTICK, GUILDFORD, WA

MUNGO SAYS: Cheers yourself, you smooth-talking devil. Mate, I take it as it comes. Pink and perky, dark and dangly, it's all fine by me. My attitude is, if a sheila's nice enough to invite me to have a geek at her nunga, I'm not gunna be picky. Christ, look at what we're packing down there – it's butcher's shop window material. I consider myself fucken lucky if they wanna mess with it at all.





PAINT-BALLING

HI MUNGO, with Sexpo returning to Melbourne in November after a year's break, I am getting excited about going. The last time I went to Sexpo, I toyed with the idea of getting a portrait done by Pricasso. Have you seen his work, and how would you feel having someone's dick painting your likeness?

ROB, GROVEDALE, VIC

MUNGO SAYS: Yeah, I've seen Pricasso's work, and while I don't know a lot about art I reckon it's OK – considering the guy paints with his dick. But I do reckon I'd feel like a bit of a dickhead posing for a portrait while a bloke dips his cock in paint and slaps it around a canvas. A bit kinky for me, and I reckon it must sting his Jap's eye something shocking.

COULD IT BE...?

I RECKON homie Jasmine Ann in #1416 looks like Katy Perry, if Katy was one of those alternative chicks with heaps of tatts and piercings. I have the horn for Katy Perry something fierce, but I always wished she'd dirty up her image a bit, so Jasmine Ann was just what I always wanted.

L.D., BUNBURY, WA

MUNGO SAYS: Fair call. You know what, though, we haven't seen Katy for a while, so how do we know she hasn't moved to Adelaide, changed her name, got heaps of bod mods and started nude modelling now that her music career has tanked? Just a thought...

MUNGO WANTS TO KNOW...

How fucken mad is that pollie cunt who wants to import those pump-action shotties that'd stop a charging rhino, while we still can't legally buy a bit of smoko in this country, or a porno DVD anywhere but NT or the ACT? I haven't seen any charging rhinos around my joint for fucken MONTHS!

FRIDGEY-DIDGE!

Beer fridge sorted... now where's the food go?

TALKING about beer fridges as you were last issue, did you know that the Greenies reckon that running two fridges, one for beer, one for food, is a waste of resources, fucks the environment and kills dolphins and that? Plus I reckon that opening the fridge door to get food out upsets the perfect beer temperature. So I thought I'd do the right thing and chuck one away. Now I live on take-aways and canned chilli, but my beer is always super-chilled. I feel better about myself already.

T.A., WOY WOY, NSW

MUNGO SAYS: Mate, I'm proud of ya. You're an environmental warrior! Anything we can do to bring unicorns back from the brink of extinction is worth it, and if the other result is more pizza and beer at the perfect temperature, we're all winners, eh.

Check out these dopple-hangers

YEE-HA!

I'VE got a titty look-alike for ya, Mungo. I noticed your Homie of the Week last issue was named Dolly, she was from Tamworth, and she has dead ringers for Dolly Parton's tits. I've always wanted to see the other Dolly's tits uncovered, but I doubt that's gunna happen so I'll make do with this Dolly. How big do ya reckon those bad boys are?

M.R., MOUNT ISA, QLD

MUNGO SAYS: They look like double-Es to me, but hard to tell from a picture. I need to be hands-on to be more accurate. They are fucken beaut, but, I'll tell ya that for nothing.

NOT AGAIN!

WE THINK bullfighter Juan Jose Padilla should pack it in. Nothing against the bloke, he's been an ornament to the game, but when a bull gores you in the same empty eye socket from where one reefed out your eyeball five years ago, you'd reckon it's time to retire and run a pub up the coast. Juan, 43, and nicknamed 'The Pirate' for pretty obvious reasons, was going MANO ON BULLO in the La Misericordia bullring in Zaragoza, Spain, when the 635kg bull gave him a poke in his eyepatch with its horn. Then the TOEY TORRO stomped on Juan's stomach for good measure. Noice. It probably could get a start with the Springboks with an attitude like that. We reckon what saved Juan was that when they sewed his head back together in 2011, the surgeons inserted some titanium plates, so it probably DENTED the poor bully's horn. Still, ya can't keep backing your luck forever. So Juan, maaaate, you've had a good run, hang up the cape and start pouring beers for a living.

SHED HEADS

Oz's best MAN CAVES

WHO: Heath & Josh, sparkies

WHERE: Bendigo, VIC

Putting those sparky skills to good use

HOW LONG YOU BEEN WORKING ON THE SHED, JOSH? "It's been a work in progress for the past four years. It's mine and my business partner Heaths, and it's out the back of my Mum's place."

WHAT ARE SOME OF YOUR FAVE FEATURES? "The bar is actually an old counter from a Bendigo bank. I grabbed it when the bank was getting a refurb and the builders were gunna chuck it. I said 'Not a chance' and took it for the shed."

BEWDY! WHAT HAVE YA GOT BEHIND THE BAR? "We've got a commercial beer set-up with two taps; one with either Carlton Draught or Carlton Dry and the other with a cider or a spirit like Canadian Club and dry."

WHAT ELSE IS TOPS ABOUT YOUR SHED? "We used 60 pallets to line the roof with timber. It's got a bit of a sag in it now, but it still looks good. We've got 1800 ceiling lights. We've also got about 200 different old bottles from all over the place and an old one-armed bandit pokie machine."

HAD ANY RIPPER PARTIES IN THERE RECENTLY? "AFL Grand Final day is always a big one. This year we had about 100 people turn up to watch the game. We went through about four and a half kegs."

WHY DO YOU LOVE YOUR SHED? "It's a good place to get away from the missus."

AIN'T THAT THE TRUTH!

Talking Dirty

TURTLENECK

I'VE still got me foreskin, which seems to be rare if you watch porn. I've only ever seen a couple of blokes with a hoodie on in stick flicks. How would you want an uncircumcised penis to look when it's angry? Do you want the foreskin pulled back to reveal the head? That also would make it thicker around the base of it. Or do you want it hoodie on, with the foreskin covering most of the head?

D.P., MANJIMUP WA

***TRINITY SAYS:** I don't give a shit if it's cut or not, as long as it's hard and it works! I love sliding the foreskin back to reveal that big pink shiny head. I'm not fussed either way, though.*

BITCHIN'

ALMOST all girls try to be the good girl. I find it so fucken boring. I want a bad, naughty, crazy, wild, bitchy, borderline unstable drama queen. A perfect relationship for me would consist of yelling, cursing, fighting, hating, cheating three-quarters of the time and incredible make up sex one-quarter of the time. That really would make me feel ALIVE! Where and how do I get a girl like that, Trin?

TROUBLEFINDER, VIA EMAIL

***TRINITY SAYS:** Dude, I'm all for the head cases, the BATSHIT crazies, the wild ones etc. But you lost me when you got to the cheating part – loyalty is everything! You sound like you've got enough crazy in you to turn a girl crazy. There are enough basic loonies out there already.*

"I LOVE SLIDING THE FORESKIN BACK TO REVEAL THE HEAD"

WET ONES

HI TRINITY, I've got a fair few questions about what happens when chicks get wet. When you get wet from something turning you on what does it feel like, is it different depending on how turned on you are? Can chicks actually be so wet that it starts to trickle down their thighs? l get a throbbing sensation when I've got a full-on boner, are there any throbbing or muscle spasms from being so aroused for you?

THIRSTY, DAWES POINT NSW

***TRINITY SAYS:** Of course there's different levels, mate. It's a similar principle to a cock; you've got semi, hard and rock hard. And for a pussy, there's moist, wet and dripping. Hell yeah! That pussy juice can drop down our thighs and make big wet patches in our panties. We get what's called fanny gallop; when our flaps and clit pulsate and throb 'cos we so horny.*

BALLIN' OUT

I HAVE just started having sex for the first time recently and I noticed since Monday (the last time I rooted) that I've lost a testicle. I don't know where it went. It just looks weird having one ball in my sack. I'm 18, by the way. It doesn't hurt at all, and I've had no trouble wanking or pissing. Where would it have gone?

A.H., HAHNDORF SA

***TRINITY SAYS:** Haha! In my twelve years writing this column this is certainly a first! It's called retractile testicle and it can disappear without pain into the abdomen or groin area. It's usually not a problem and will reappear but if you're worried it's always wise to see your G.P.*

JUST PHOTOS?

I JUST found out that a girl I'm with is having some money troubles. She has a job as a barmaid, but between her kid and her rent she is struggling to make ends meet. I recently found out that in order to make ends meet she has been messaging an older

fella and sending him some lingerie photos. They also meet every other week to get drinks around lunch time while her kid is in school and I am at work. She doesn't engage with the guy physically but he gives her money when they get together for lunch to help her out, at least, that's how she explains it. She is basically using the guy for money but I feel a bit worried about the whole thing. Should I be?

CONCERNED, CALOUNDRA QLD

TRINITY SAYS: Why wasn't she forthcoming with that information originally? Personally I wouldn't be all that worried about it, if you have no reason to doubt her. Trust is everything, mate. She's only giving an old lonely dude some company. If you have trust, don't think twice about it. Over thinking is your worst enemy!

SHIT DICK

MY BOYFRIEND has a smelly cock. He is uncircumcised and washes it, but it still smells like shit after. We been together 3 years and the smell has gotten worse. He has stopped wearing underwear to bed and now the sheets smell and he says it will air out better without underwear. I don't know what to do. He doesn't want to try different soap or go to a doctor because he reckons it'll be a waste of time. This affects our sex life heaps 'cos I get one whiff and I'm done, and then he gets mad. What should I do?

GROSSED OUT, VIA EMAIL

TRINITY SAYS: What the FUCKING FUCK! DEMAND HE GET CHECKED! That is not okay, it's selfish and I wouldn't go near it until he got it checked – simple! Stand your ground or drag his arse to the doctor. DO NOT touch him until he goes.

POWER FUCK

IS IT true that all chicks (apart from lezzos) find powerful men attractive? Like, do you find Donald Trump attractive? If you had to do one or the other, would you have a threesome with Donald Trump and Hillary Clinton or one with Malcolm Turnbull and Tony Abbott? And are there any politicians you wanna root?

R.H., CASTLECRAG NSW

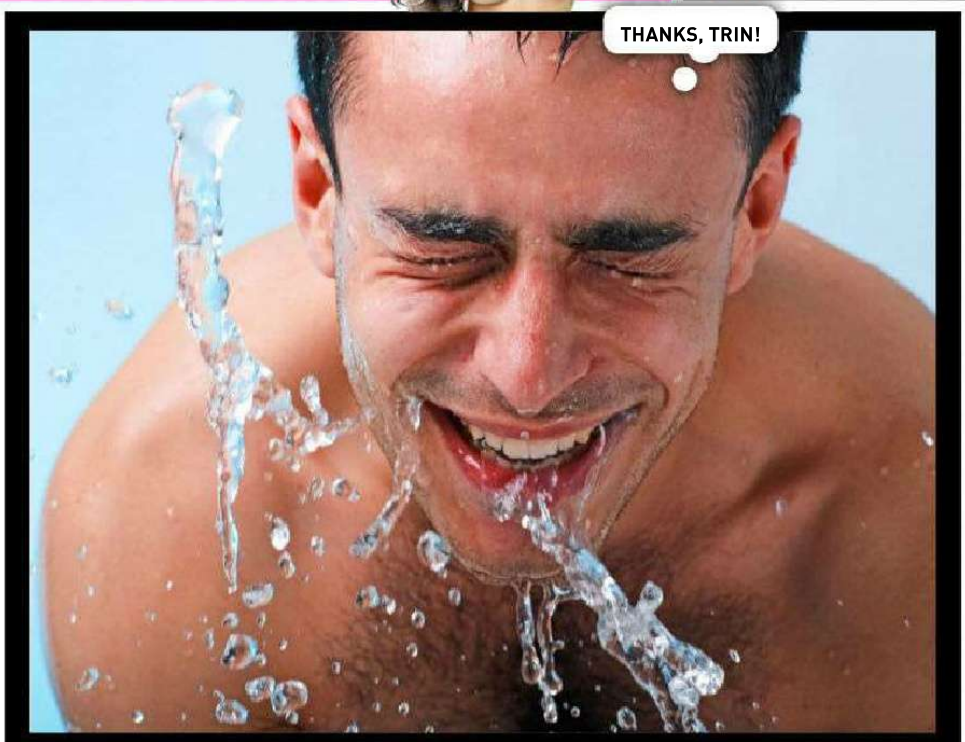
TRINITY SAYS: Donald trump is not a powerful man, he's a FUCKING douche and I would never go there, not even for 10million dollars. I hope he gets beaten. Yes powerful/ influential men can be attractive but there are still standards. And no politicians float my boat whatsoever – yuck!

RAISE THE BAR

WOMEN in 2016 have astonishingly high standards. I'm an 8/10 with a very nice house in a beautiful area, fancy car, big income, interesting social circle and fun lifestyle. My friend was trying to set me up with his friend yesterday – a decent looking chick (7/10) living in a shit area with a kid – and she doesn't even seem interested in me. I guess she's holding out for someone who is a 9/10 or above. Meanwhile, I've had many gay men hit on me and say I was gorgeous. Why are ladies so delusional nowadays?

MO, GREENACRE NSW

TRINITY SAYS: Wow. Read your own question. That's why she wasn't keen on you. Who are you to judge anyone ' cos of where they live or if they have a kid or fancy car or whatever. How 'bout you try pulling your head in and not judging, mate – you'll do much better.



TRINITY'S SEX TIP

Don't ever think you can't do something. After years of vigorous effort and no luck I thought I'd never be able to squirt, but a few months ago a very experienced gentleman turned me into Niagara Falls. Now my apartment is a constant wet and wild water park! Don't give up on your dreams – ANYTHING IS POSSIBLE!

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

BOSTON College Eagles footy player Chris Garrison is a big unit – 190cm, 107kg big – so when he landed on his left leg after catching a pass, the fact that the big bone in the lower bit snapped in half shouldn't surprise anyone.

The game against the State University of New York Bulls in the NCAA Division 1 was temporarily halted while they asked Chris if he wanted the magic sponge, or maybe a band-aid, but eventually it was decided he'd better go off for a bit of a lie down.

Chris is what they call a wide receiver, which is not, as we first thought, some sort of FAT RADIO, but actually one of the key guys on the team, real fast and that, so the Eagles are gunna miss him while he's out.

All reports say he's "in good spirits" and "doing great" but we'd imagine he'd be a bit PEEVED at missing the rest of the season.

Well, Chris, think of what this will do for your Xbox skills. But be very careful and don't BUST YA THUMBS or nuthin'.

Now, you're a big bloke, and we respect that, but since you're lying flat on your back in another country, we think we can safely say... GET UP YA SOOK! Picture

EUREKA!
Sarika's one of life's greatest discoveries

“WE ALL GO TO BED TOGETHER FOR WILD LESBIAN SEX”

YA GOTTA hand it to Latvia – for a little joint of barely 2 million people, they're punching well above their weight in the production of WORLD CLASS SPUNKS.

Tucked way up there between Russia and Scandinavia, when the Latvians aren't playing ice-hockey they go quietly about the business of raising herds of blonde, blue-eyed hotties.

We've showed you plenty before – c'mon, you remember! – but we can't recall one quite so KNOB-PLEASING as 25-year-old Sarika, whose glorious bod you are drooling over right now.

She's been a big hit all over Europe due to... well, you can see what that'd be due to. No mystery there.

She happens to be real good at getting her picture taken while she plays with her perfect C-cup tittays and moist little MOOTETTE, all the time giving the camera that inviting, wide-eyed: "Wouldn't you like to stick your big, hard dick in widdle ol' me?" look.

Anyway, the best we could do by way of an interview was to email Sarika some general questions, which she got real quick, owing to Latvia having among the world's fastest internet speeds.

In fact, we ascribe Latvia's enviable environmental record to their speedy internet, 'cos everyone there is always too busy inside downloading horny

photos of Sarika to go outside and smash into reindeer on their snow-mobiles.

Her answers were enough to make us choke on our morning rum and cocoa. Check this out:

Sarika, how are you? How is the weather over there?

"I love a handsome man with a very big penis, but also I love to have lots of sex with other hot women."

Seen any good movies lately?

"I don't have a boyfriend because I travel so much, so I often pick up hunks for wild sexual nights, and then never see them again."

Do you know much about cricket?

"If I can't find a man, it's no bother because I have many beautiful girlfriends who are also models. Sometimes three or four of us will drink a bunch of champagne and all go to bed together for wild lesbian sex."

Ever been to Australia?

"My favourite thing to do with another girl is to 69. I love to eat pussy while mine is being licked at the same time!"

Any thoughts on the upcoming US election?

"But I also must have some good fucking from a nice hard cock often, otherwise I would go crazy!"

And so it went. We kinda wish she would've stuck to the script, but hey, she's Latvian. Waddya gunna do? ■ Picture

OH,
BEE-HAV
Lucie Bee just keeps gettin' naughtier

Gary Santos

LONG-time friend of THE PICTURE Lucie Bee is a Sydney porn star, sex worker and general all-round great gal.

She's also a horny little minx who's always up to some sort of mischief, so we caught up with her the other day for a bit of a chinwag.

Wotcha been up to, Miss Bee?

"I've been shooting some virtual reality cosplay porn scenes. I wore my Catwoman outfit for a lot of it and it looks really good. I'm also getting ready for Sexpo, and that's very exciting. I'll be doing lots of shows and I'll be dressed up in all sorts of costumes there, too."

How's your sex life going? Still kickin' goals?

"Great! I've been getting up to lots of mischief with naughty clients. I still love my costumes, and I love my sex. I've been hosting some high-end sex parties in Sydney. I love watching other people have sex, too."

Us too, but they always freak out when they see us at the window. Lucie, you're a woman who knows about this stuff – what's the secret to giving the perfect MOUTH CUDDLE?

"I take what I love about oral on me, then replicate it. It's about taking your time, building up, being firm but gentle and keeping things interesting. Not the same repetitive motions. That might work towards the end, but it's all

"I'M SUCH A FAN O

about having fun getting there. Eye contact and a cheeky smile or two don't hurt either."

What's your current favourite RUTTING outfit?

"At the moment it's the Harley Quinn one from the Batman comics. I love it! It's got lots of mesh, tiny shorts and boots. My costumes are very popular with guys I'm with."

No surprises there. What's turning you on at the mo?

"I'm just such a fan of giving blow jobs. I've had a lot of requests for them, so I guess I must be pretty good at it. I love being able to give, and watch people losing it."

Lotsa PICTURE readers go to Sexpo. What should they do there?

"Come say hello to me! I've got my own booth called The Bee Hive. You can get photos with me and I have so much other fun stuff. Please come and see me!" ■ Picture

My Sly Fuck

GOING UP

I KNEW as soon as Rod came to work in our office that I was gunna fuck him. The only question was when.

I flirted with him heaps – leaning over his desk so he could sneak a look at my 34Ds, giving him panty flashes when I bent over to put paper in the printer – so he must've known I was gagging for it.

Then I got him on his own for a Friday lunch and a few wines, with the idea I'd jump his bones after drinks in the pub that night, but it all happened a bit quicker.

On the way back to work, our old lift shat itself between floors, and there we were, alone, a bit pissed, me in my low-cut blouse and short skirt and him cracking a fat in his pants that looked like it needed seeing to.

Rod went to press the emergency button but I grabbed his hand and guided it up my skirt to my button instead. He started fingering my swollen clit while I unzipped him and let that bad boy spring out.

Dropping to my knees, I left streaks of lippy on his dick from base to knob as I deep-throated him. Then, realising we wouldn't have much time, I backed up against the wall and pulled him towards me.

Hooking my legs around his waist, I pulled my panties aside, took his cock into my wet cunt and started churning.

By this time we could hear thuds as they tried to lever open the lift doors, so I increased the tempo and applied the ol' crusher hold on his cock with my well-trained smoo.

I felt him spurt into me, then we hurriedly got ourselves together as the rescuers prised open the doors.

I went back to my desk with his spoof running down my thigh. It got even better when went home together that night.

HERE CUMS THE BRIDESMAID

WHEN Di, my ex, invited me to her wedding, I figured I might as well go and get a free night on the piss out of the failed relationship.

I ducked the ceremony and fronted at the reception, where I was stoked to find that Di's younger sister Rosie was a bridesmaid.

I hadn't seen Rosie since Di had given me the shove, and she'd turned into a taller, bigger-titted, hornier version of her sister.

We did some serious flirting, and as soon as the speeches were done and dusted she made a beeline for me to have a dance.

We were only there for half a song when she whispered in my ear: "Di always told me you were a great fuck. Let's find somewhere quick."

I looked around and danced her over to the first door that caught my eye, and when no-one was looking I flicked it open and danced her inside.

I latched the door and we fumbled around stripping off clothes until I had her naked from the waist down, She had a cute little landing strip with a unicorn tatt beside it.

I knelt down, lifted her legs over my shoulders and sucked on that juicy honeypot until her squeals got so loud I was sure we'd be sprung.

I figured the best way to shut her up was to stick my dick in her mouth, and after she gave me some slobbery head, I lifted her up, plonked her arse on a table and guided my throbber into her.

She was tight as, and as I thrust into her I could hear things crashing and breaking, but I didn't care as soon we were both about to cum.

We hit the big O, with more squealing from Rosie, then I looked around and realised we were in the room with the presents, several of which were now on the floor looking a bit smashed up.

So I chucked a few more at the wall and we went back outside to neck more free champagne.

DRIVE-IN WITH MISS CRAZY

BACK in the day when there were such things as drive-ins, my big bruv recruited me to accompany him and his girlfriend on a double date with her younger sister.

See, the girls' parents would only let the older one go with him if there were more people in the car as chaperones, but they didn't account for the younger one being a raving nympho herself.

So there we are, the sweethearts in the front playing kissy-kissy, while I'm in the back with the sister expecting a boring night of popcorn and shit movies.

But fuck me if she doesn't slide over and grab me on the cock!

I don't say anything, 'cos I'm a bit shocked, but next thing she silently unzips me and starts sucking my dong like she's trying to get the last drops of her milkshake out through a straw.

I dunno what to do, so she steers my hand between her legs where her pubes – remember pubes? – are soaking wet and her pussy lips are so slippery my first two fingers slide right in.

In the front it's all pashing and the occasional tit squeeze, followed by: "No, I'm not that kind of girl," while little miss sex bomb in the back has manoeuvred one leg over me and is rubbing the head of my cock up and down her slit.

Then she leans her upper body away from me and inserts my cock into her wet tunnel. Suddenly we're fucking in a sort of sideways doggy-style in the dark, still pretending to watch the movie.

It's insane, but I'm loving it. She silently builds up the pace and I unleash a load of spoof into her as I feel her hot little cunt clenching around my cock.

Then she tidies herself up, jumps out of the car and says she's going for more popcorn, do I want some? I say nah, I'm good, and that's that.

Fucken weird, but good.

GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

"I've had a foursome with another couple"

ANDARIAL
TAUPO, NZ

English spunk Andarial, 24, is in her ideal job. "I work in a bookshop and love being around books. I read fantasy novels in my spare time. I love to escape reality; anything can happen in fantasy." ***Tell us something sexy that has happened to you in real life.*** "I was learning to pole dance in a public bar and stripped down to my underwear because it was more comfortable. People were coming into the bar just to watch us dance." ***That'd be one of the few times visiting a pub with no beer wouldn't be such an issue.*** **WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME?** "I've had a foursome with another couple and my boyfriend at the time. There were two girls and two guys. No-one was straight and it was a lot of fun."

CHARLOTTE
HAWTHORN, VIC

"My boyfriend and I were at my friend's house for a party," says 23-year-old retail worker Charlotte. "The friend was a total babe and my first kiss – not too unusual when you go to an all-girls school. My boyfriend and I found ourselves in her room and fairly drunk and one thing led to another. What made it memorable is that the host walked in halfway through and decided to join in – bringing back all those school memories."

You sound a blast at social gatherings. "I also like to mess with people when I go out; I enjoy wearing fairly transparent clothing like my lace corsets and watching guys trying to figure out if it is really my nipple piercings they can see."

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "It would have to be the threesome in that story."

"I like to mess with people when I go out"

$200 BEAUT BUM

"I've bought some new toys for my boyfriend to use on me"

LILITHE
SURFERS PARADISE, QLD

When she's not wielding her guitar, inked-up 25-year-old gaming shop worker and pole dancing fan Lilithe is grabbing a console. "I love to play – I always win, though." ***What other, erm, hand-held devices do you use for entertainment purposes?*** "Something sexy I've done is bought some new toys for my boyfriend to use on me." ***More electricals?*** "Ropes and restraints this time. I would highly recommend them." ***If they were attached to a BONZA NUDE SPUNK like you, we'd gladly take your recommendation.***

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "Just two: my partner and another girl. It was always a fantasy of mine.

"I'm certainly up for new experiences"

ATALANTA

MOUNT BARKER, SA

Twenty-year-old Atalanta is an explorer. "I like adventuring to new places – especially with a lake – to strip off and cool down after a hike." ***By strip off we hope you mean STRIP OFF.*** "Yes. There are a few different lakes and waterfalls down south I have visited with dates that have ended up in a cheeky naked swim."

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "I'm a bit of a one-on-one kind of girl but I'm certainly not shy in front of people. There have been numerous occasions where I have had competitions with friends on who can make the guy moan the loudest or tease and please without making them explode first. Being young, I am certainly up for new experiences and I am sure one day I'll end up trying something with multiple people of the same or opposite sex."

Home Girls

ELENA
ADELAIDE, SA

$30 ASK THE HOMIES

"I'd like to pose in ***THE PICTURE*** like you do, but I'm not so confident. How do you get the courage to get naked in a studio and published?"
CANDY, WILSTON QLD

ELENA SAYS: ***"We all stand naked in front of our mirrors and do little poses. If you're a little shy, start small and do a boudoir shoot. You find you feel sexy and confident.***

ROXANNE
KANGAROO POINT, QLD

$30 ASK THE HOMIES

"I hope you're planning never to leave Australia. And if you need help staying by marrying a local, I'm the man. Are you going to be in ***THE PICTURE*** again soon?"
BERNIE, MANUKA ACT

ROXANNE SAYS: ***"Thank you for the offer, Bernie, but sorry, I'm not staying in Australia for that much longer any more. But I would definitely pose for the magazine again."***

ASK ANY HOME GIRL ANYTHING YOU LIKE. *Chuck us an email at askthehomegirls@bauer-media.com.au or write to* **Ask The Home Girls** *c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000.*

"I pull my swimmer bottoms to the side and have sex" "

JESS
SURFERS PARADISE, QLD

Beauty therapist Jess doesn't mind getting her 25-year-old nails dirty away from work. "I love the outdoors. I love being able to do adventurous things, exploring and seeing new places. I love Hamilton Island and Stradbroke Island if I want something closer to home." ***What about outdoor sexual shenanigans?*** "Of course, especially in the ocean." ***Tell us your ideal methods for AQUATIC BONKING?*** "We just act as if we are cuddling, but really I pull my swimmer bottoms to the side and then we start having sex. It has to be in calm water." ***That way you get to create your own turbulence.***

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "Two: one male and one female. It was with a guy I used to see. We made a Tinder account and organised it."

"I prefer a female touch"

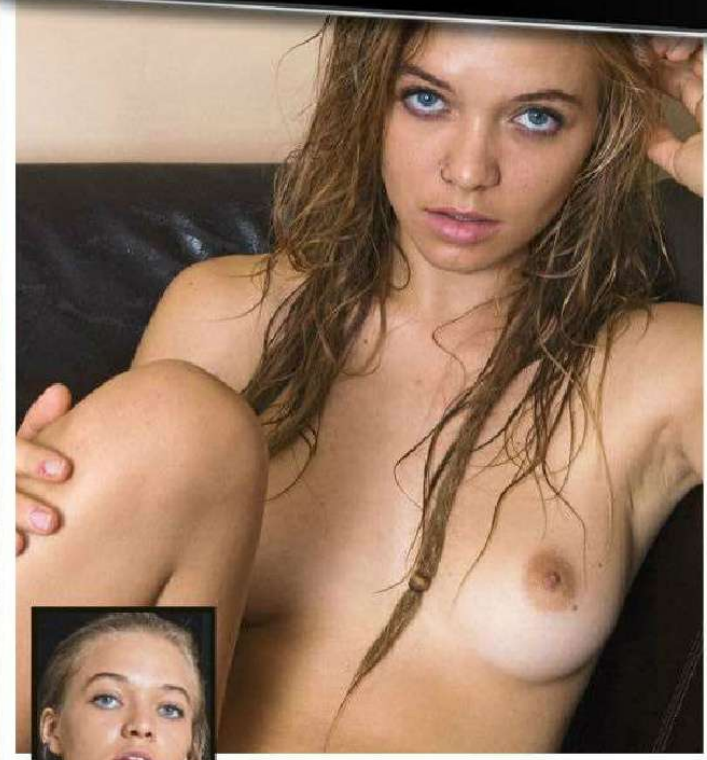
RACHEL
NOOSAVILE, QLD

"I am from Brazil," says luscious 28-year-old lesbian Rachel. "I used to work there as a swimming coach and personal trainer and I love all sorts of sports. I came to Australia to learn English and how to surf, as well." ***The blokes of the world are gutted you practise a VAGITARIAN DIET.*** "I am totally gay. I don't know how to explain it very well, but I prefer a female touch, their skin and their smell." ***That explained it very well.*** "And I like the way they kiss. It is less aggressive than the way it is done by a man." ***What do you miss about Brazil?*** "Definitely the food." ***Although you obviously aren't pining for sausage back home.***

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME?

"Only one. I am not a fan of group sex."

$400 HOMIES WITH HOBBIES



DEVA
NEWTOWN, NSW

Twenty-year-old model Deva can run her fingers up our fret boards any time. "Playing guitar is an expression of the soul and my favourite musicians are Led Zeppelin, Amy Winehouse, The 1975 and Ed Sheeran. I'm a free agent travelling the world for new experiences." ***Hopefully some of these are OUTDOOR ROOTS.*** "Too many times." ***Like too much of that is ever possible. Name some locations.*** "On an airplane, in a garden display in the middle of a festival, in a tree, in a tree house…"

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "The biggest number so far has been three. I had a crush on this guy because he looked like a rock star called Matty Healy, so me and my good friend had a crazy night and got a bit wild. There was also a mini orgy we had with three couples."

KYREE

BRISBANE, QLD

"Yes, they're real," confirmed 21-year-old Kyree – and she wasn't talking about her eyelashes. "Everybody seems to ask me. They're 12E and all-natural." ***Have you named 'em yet?*** "Yes, the left one is called Bill and the right one is called Bob. I guess they're called men's names because men are the ones who like to play with them." ***Weren't they in that movie with…*** "No, that was Billy Bob Thornton." ***OK. Do they ever cause trouble?*** "Yes. My ex always used to get into fights because people would stare at them. Otherwise, they're really good value." ***Will we be seeing more of Bill and Bob this summer?*** "If you're at the beach, you might do. My bikini top is tiny and nearly always comes off when I'm in the surf." ***BOING!***

"My fave possie is when I'm on top"

SOPHIE

NEWCASTLE, NSW

"I want Santa to bring me a puppy this Christmas," said Sophie. "I've already got a cat, but she just sleeps all the time." ***Is your OTHER PUSSY getting much attention?*** "It's getting enough, but I'd like to meet a new guy soon. My favourite possie is when I'm on top." ***Have you ever done it outdoors?*** "Yes, once at the beach, in the water. Just at the moment we were climaxing, a helicopter flew over the top of us." ***This 27-year-old sales assistant reckons lots of foreplay is a good way into her pants.*** "A sense of humour goes a long way, too." ***And your sexiest outfit is…*** "My birthday suit, of course!"

AERIAL GRACE
BUTLER, WA

"My favourite feature would be my butt," brags 21-year-old Aerial Grace. "It's a feature I've had that has stood out my whole life and it runs in my family." ***Which lucky buggers get to have a little play with it?*** "Me and my female best friend went to our local pub and got fairly tipsy. We decided to go home and play with each other." ***A nice game of backgammon?*** "Taking turns licking each other out." ***Oh, that.***

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "Five: three girls and two guys. One night we were having drinks at a friend's place talking about each others' sexual adventures. A lot of tequila later we decided to have a sexual adventure of our own."

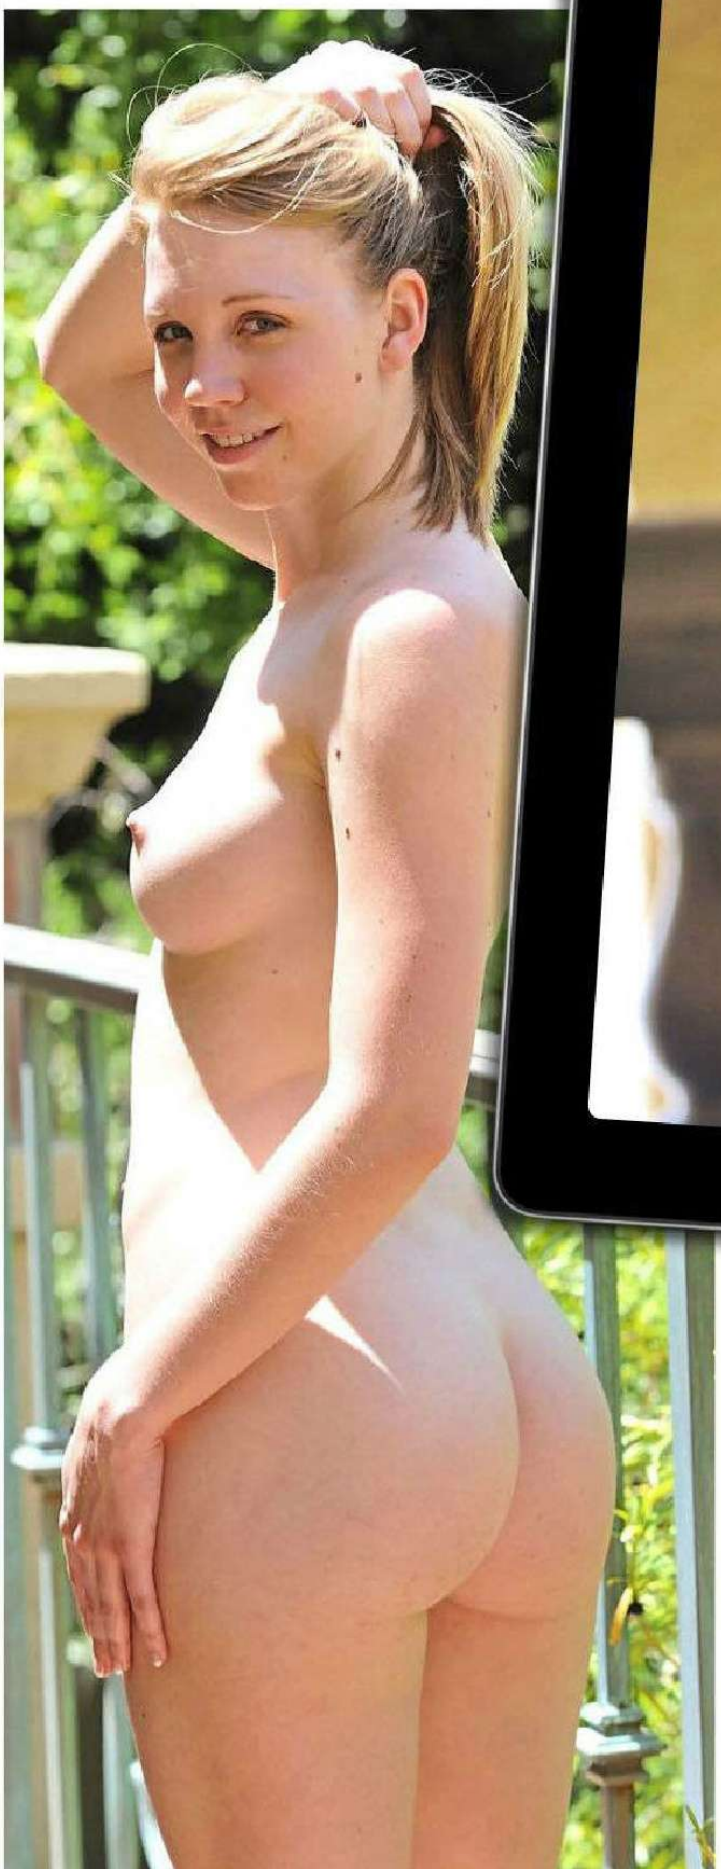
Kinky sides meet with our approval. Tell us something you've done. "I've had sex on camera and I love it. It makes me feel hornier watching myself get off." ***Any plans to add further adventures to your sexual repertoire?*** "I love the beach and having sex on a boat would be my ultimate fantasy. I enjoy a male being dominant in the bedroom, but never outside. There I'm the boss."

WHAT IS THE LARGEST NUMBER OF PEOPLE YOU HAVE ROOTED AT THE ONE TIME? "One night my old partner and I got drunk and had a threesome with our housemate."



COURTNEY
BRAYBROOK, VIC

"This is probably the naughtiest thing I've ever done," confesses 19-year-old Braybrook local, Courtney. "I was so nervous, but I'm really glad I did it." ***Maybe you can talk a few of your mates into giving it a crack?*** "I actually tried to get one of my friends to come along but she chickened out. She's the only one who I told about what I was doing." ***Why'd ya decide to get your kit off for Australia's GROUSEST magazine?*** "I guess I'm a bit of an exhibitionist. But a shy one, if that makes sense?" ***In the words of a famous ranga fish'n'chip shop owner – please explain…*** "I like the idea of being naked around people but I'm too scared to actually do it! GO FACT YOURSELF!

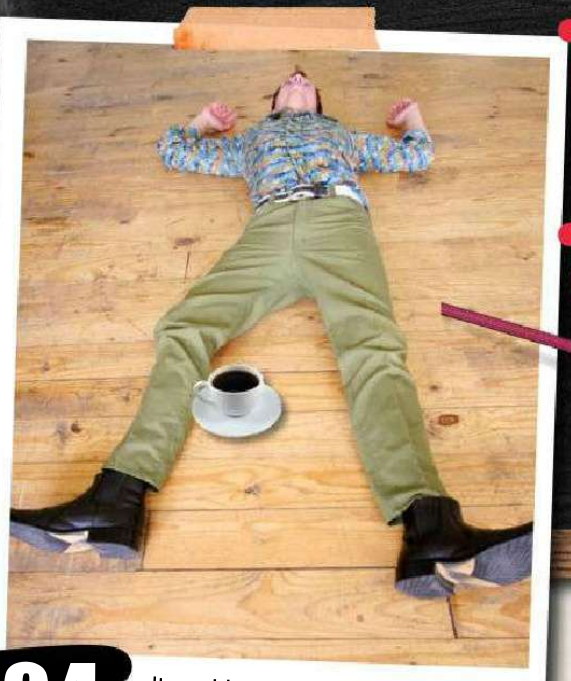
COFFEE

01. A type of coffee called Kopi luwak is made from coffee beans that've been eaten and SHAT OUT by a cat-like critter called the Indonesian palm civet. It sells at around A$1000 a kg, or $40 a cup in ya local café.

02. Irish coffee was invented by Joe Sheridan, an chef, in the late 40s. When passengers arrived at the local Pan Am terminal on a winter's night, Joe bunged a lil Irish whiskey in their coffee to cheer 'em up. Diddley dee!

03. You could run your car on leftover coffee grounds, according to a study by the American Chemical Society. They found that used coffee grounds are up to 20% oil, and could be an alternative fuel source when the bastard petrol companies hike the price up again.



04. It would take between 70 and 100 cups of coffee, drunk very quickly, to kill you STONE DEAD with a caffeine overdose. But if you didn't die, you'd probably mow the lawn in record time.

05. In Amsterdam, "coffee shop" is just code for "dope shop" 'cos they mainly sell mary-wana. You can still get a nice latte in most of them, though.

06. King Charles II of England tried to BAN coffee houses in 1676 'cos he reckoned coffee-drinkers were a rowdy lot who might chuck out the monarchy. This pissed off the population so much the ban was overturned within a couple of days.

07. Joseph Smith, founder of the Mormon Church, claims that one of the laws god handed him PERSONALLY in 1833 was a ban on coffee. According to Smithy, god's more of a mango smoothie kinda guy.

08. In 1777, Frederick the Great of Prussia also tried toban coffee. He said it endangered the country's beer industry, and that beer was a much better brekky drink. No argument there!

09. Another SHITTY BREW is Black Ivory coffee, which sells forA$1400 a kilo, or $70 a cup, from northern Thailand. Except this time it's shat out by elephants not cats.
